LEGEND OF THE POST

The Art of the Post was first refined in the late 1900's by a young lad of Hispanic descent named Sir Steve Bave Sendepapalapagos. Historians will later refer to Sir Steve Bave as the "Professor" of Post.

At an early age, Sir Steve Bave came to the realization that he was most content in life when having to do as little as possible (both physically and mentally) while still being able to keep himself entertained with the simple pleasures in life. From that moment on, Sir Steve Bave understood that he was destined to introduce this innovative lifestyle of relaxation to the rest of the world. Therefore, Sir Steve Bave chose to dedicate his life to perfecting the use of his leisure time, which he referred to as "Posting"....
